**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We NEED more broadband competition, not less! Broadband is CRITICAL to my small consulting business, to my husband's consulting business, to all of the small businesses run by my many friends out their homes. We have just recently changed to fiber from DSL because our location was not able to get adequate service with DSL. Local broadband providers are critical for us to be able to maintain our source of income.
